

# Having A Good Journey In Our Relationships

**3 John 2**

- We have learned that the word “prosper” means to have a good journey.
- Today, January 3, 2021, we are celebrating 30 years of being a church family!!!
- Truly God has been very good to us!!!
- Over the past 30 years we have experienced God’s faithfulness, favor, goodness, mercy, provisions, miracles, saving and keeping power.
- 2020 was an incredible year!
- As of December 31, 2020, our Kernersville Campus was paid off.
- This year, 2021 our theme is “Having a Good Journey in Our Relationships.”
- Success in life is not determined by the things we possess materially, but success is determined by how we relate to God and to others (Luke 12:15).
- It is God’s will that His children would have “good success.”
- Good success – success that has a beneficial effect and it will edify me and glorify God.
- Good success – success that which is going to have eternal and everlasting and positive results in my life both here in this life and the life to come.
- Relationship – the quality or state of being – related to; connected to; or bonded to.
- Relationship – the way in which two or more people or groups regard and behave toward each other.
- The God that we serve is very relational.
- When God made this world, He required relationships in order to function properly.
- It should not be a surprise to us that after God created this world, He said that everything was good with one exception.
- Purpose: to help us build relationship with people so that they will be edified and strengthened.
- Goal: (1) To strengthen our relationships with God and man. (2) To make us aware of how important it is for us to minister to our family and the family of God.
